## Newsletter Needs Help!

Members, advisors, and parents I am in great need of help on the newsletter. With all of my commitments it is becoming more and more difficult to write, organize, print, and mail out the newsletter. Chasing down the articles seems to be the greatest of these difficulties. The result is that our newsletter keeps coming out later and later in the month, which is not an effective means of communication.

Please remember that you do not have to be a councilor to write an article for the newsletter. In fact, our newsletter would be better if more members, advisors and parents submitted articles. So, please consider adding your thoughts, words, and comments to our newsletter.

Thank you,  
Dad Shuler  
Chapter Advisor

## Morning News

I would like say Thank you to all of the members of our Sponsoring body, Medina Lodge #58 for their generous donation to our chapter for the Heartland Ritual Tournament. Also, the members of Medina Commandry for the same.

Unfortunately neither John Weatherford nor I won 1<sup>st</sup> or 2<sup>nd</sup> places, but we did our best to represent Ohio and Medina DeMolay. We had a good time at the competition and are thankful for the chance to experience it.

Fraternally,

Sean Shuler

## Advisory Council

Well, Sean already broke the news of this year's Heartland results, but I would like to add that both boys, although they did not win medals scored in the high 900's and should both be commended for their efforts.

Fraternally,  
Douglas Shuler  
Chapter Advisor

## Fundraising

Our cookie dough fundraiser is now under way! Mom Merrill has distributed most if not all of the order forms to the boys. Orders need to be turned in by April 25, 2005.

## The News at Noon

Hey guys,

We had a great prospect party last month with one exception...there were NO prospects there! Come on guys, we need to get our friends involved in our activities so they will want to join.

Sincerely,

Membership Team

## Evening News

Brothers,

As of our last meeting we had two ill brethren. Brother Sean Shuler had toe surgery, and it doing fine now. Also, Brother John Weatherford was taken to the Hospital for an emergency surgery most men would fear, but he is now recovering well!

Sincerely,

Sick & Welfare Committee
