## Youth and York Rite Education Night at Litchfield Lodge #381

On May 18, 2005 Medina DeMolay put on the Ceremony of Light for Litchfield Lodge as a part of a youth and York Rite education night. We were pleased to have four prospective DeMolays present to hear about our Order.

Alex Marshall recited the words eloquently, only having a minor problem with the power cord for the candles. All of the comments were positive after the meeting. It is my understanding that three out of the four boys that were there will be joining DeMolay. One petition has already returned and the other two should not be far behind.

The other programs that night included a "Meaning of Rainbow" by Medina Assembly which was very nice. Also, a presentation of York Rite Masonry that was very informative and closed the circle back to DeMolay with a short discussion of Jacques DeMolay, the last Grand Master of the Knights Templar and the namesake of The Order of DeMolay.

Everyone then retired to the dining room for refreshments and fellowship.

## Fundraising

Hellooooo Medina, this is your scribe Alex Marshall and here to let you know that we just had a spaghetti dinner, and it was awesome. There were numerous members there to help as well as insane amounts of food for us to eat. The sauce and the meatballs were amazing. Not only did we make over \$500, but we also heard a barbershop quartet who harmonized beautifully. Overall the dinner was a great success and I hope that more members come to the next one, which I'm told is already being planned.
