No April Newsletter

There was no April Newsletter since articles were not submitted by April 15, 2006. I apologize to the new members and their parents who count on the newsletter for upcoming dates. I will post a newsletter on our website with the upcoming dates if this happens again! Also, members are encouraged to use the agenda they receive at the meetings to write on and keep for the upcoming dates. As a last resort, if you intend to go to an event and have not received a phone call by the day before, please call the Chapter advisor to make sure there have been no changes. While it is our goal to stay on top of communication with our members, we do make some mistakes. If we all work together, we can improve our communications.

PARENTS CLUB

Our Parents Club is going well, but we need more active parents. You do not have to be at every meeting to participate. One of the main areas of focus is to provide refreshments after meetings for the boys. Although the boys like to eat, it really isn't that expensive to help out. Refreshments can range from cookies or donuts to hot dogs or sloppy joes. The important thing is to help out and spend time with our boys. Also, we as parents can help the chapter by helping our boys learn their ritual parts at home, ask them about the meetings when they get home, encourage them to look at their agenda and call the Dad Advisor if they have any questions. I have enjoyed participating in the Parents Club and I think DeMolay has been wonderful for my Grandson. I sincerely hope to see more of you parents at our next Parents Club meeting on Tuesday, May 2, 2006.
